

Running Your Business Instead of It Running You: Management Strategies Designed to Maximize Effectiveness and Efficiency

Program Deliverables: Provide leaders with practical business and time management strategies that will help them become more organized, productive and efficient.

Program Description

This program provides leaders with the knowledge and strategies needed to maximize their organizational effectiveness and efficiency. Drawing upon his experience with elite performers in the worlds of business and sports, Dr. Rick Jensen provides leaders with what it takes to get the most from their time, energy, and resources.

Dr. Jensen reveals the specific, field-tested management systems that champions use to manage people, time, and tasks. Practical tools and best practices are reviewed to ensure that participants are able to “walk-the-talk.” The program will address:

- Learning to effectively juggle multiple roles & responsibilities
- The 6 essential champion management systems
- Time management strategies for maximizing efficiency
- Spending time doing the right tasks with the right people
